Arts and Crafts Festival

Saturday, July 11, 2020

Join us for the Annual Spirit of the Lakes Arts & Crafts Festival!

The Arts & Crafts Festival is just one event of the larger festival, which includes live stage entertainment, food, a parade, wakesurf competitions, fireworks and many other activities. Booths will be set up on the grass in Surfside Park & Beach, on the shore of beautiful Lake Minnetonka in Mound. Booths are approximately 10'X10' with limited electrical power available upon request (vendors with this request should apply early).

Set up time will be from 7:00am – 9:00am. You will be able to drive close to your spot to load and unload, but all vehicles must be moved by 9:00am. Ample parking is available for your convenience.

The Arts & Crafts Festival begins at 11am after the parade. The end time is flexible between 6pm and 9pm. Coffee and bottled water will be available in the morning. There will be a variety of food and drink vendors in the park. Volunteers will be there to assist with unloading, as well as restroom & food breaks during the day.

Please apply no later than June 19, 2020 - the earlier, the better as *space is limited*. Applications received after this date will be considered if space is available. Please include a written description, a photo of your handmade art or craft, and a picture of your booth. Description:
