

Spirit of the Lakes Arts and Crafts Festival

Saturday, July 22, 2017

Join us for the Annual Spirit of the Lakes Arts & Crafts Festival!

The Arts & Crafts show is just one event of the larger festival, which includes live stage entertainment, food, a parade, wakesurf competitions, fireworks and many other activities. Booths will be set up on the grass in Surfside Park & Beach, on the shore of beautiful Lake Minnetonka in Mound. Booths are approximately 10'X10' with limited electrical power available upon request (vendors with this request should apply early!).

Set up time will be from 7:00am – 9:00am. You will be able to drive close to your spot to load and unload, but all vehicles must be moved out of the area by 9:00am. We will provide designated participant parking for your convenience. Prior to the festival, you will receive a map with booth locations, directions, and designated parking areas.

The event is from 11am-6pm. Tear down begins at 6:00 pm and must be completed no later than 7:00 pm.

Coffee and bottled water will be available in the morning. There will be a variety of food and drink vendors in the park. Volunteers will be there to assist with unloading, as well as bathroom & food breaks during the day.

Please apply by July 7, 2017 - the earlier, the better as **space is limited**. Applications received after this date will be considered if space is available. Please include a good written description and photos of your handmade art or craft. Description:
