Surfside Park & Beach

Join us for the Annual Spirit of the Lakes Arts & Crafts Festival!

The Arts & Crafts Festival is just one portion of the larger festival, which includes live entertainment, food, parade, dance and many other activities. Booths will be set up on the grass in Surfside Park & Beach, right by the shore of beautiful Lake Minnetonka. Artists & Crafters booths are approximately 10' X 10' with limited electrical power available upon request (artists or crafters with this request should apply early!). Set up time will be from 7:00am – 9:00am. You will be able to drive close to your spot to load and unload, but all vehicles must be moved out of the area by 9:30 am. We will provide designated participant parking for your convenience. Prior to the festival, you will receive a map with booth locations, directions to the festival, and the designated parking area.

Tear down begins at 6:00 pm and must be completed absolutely no later than 7:00 pm (No Exceptions!)

Coffee and bottled water will be available to participants until 11 am. There are a variety of food and drink vendors in the park as well. Volunteers will be there to assist with unloading, as well as bathroom and food breaks throughout the day.
